Additional note on the repair order

For capacity reasons, we reserve the right to place your order with one of our authorised Märklin service specialist companies (see addresses on our homepage) and to inform this specialist company of your address, telephone number and - if available - e-mail address in order to speed up order processing for any queries that may be necessary and to return your item directly.

The Märklin service companies authorized by us have committed themselves to comply with all data protection regulations and will use your personal data only for the purpose of order processing.
